

Dear Parent/Carer,

Relationship and Sex Education lessons and parent/carer questionnaire

As a part of your child's education at Wetherby High School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Citizenship Education programme (PSHCE). PSHCE is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. Coaching provides fantastic opportunities for a range of personal and character development and through PSHCE, we create a curriculum time for age and stage specific relationships and sex education (RSE).

I am writing to let you know that, your child will be taking part in lessons which will focus on the relationships and sex education. Through PSHCE relationships and sex education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website (link below) for more detail about our RSHE policy. All RSE and PSHCE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

As a school, we welcome feedback from parents and carers to help us review our practice and provision and to ensure we are meeting the needs of children and parents. After kindly taking the time to read our [RSE policy](#), we would be grateful if you could fill in the questionnaire linked [here](#).

If you would like to find out more or discuss any concerns, please contact Mr King.

Yours faithfully

A handwritten signature in black ink, appearing to read 'S. Jefferson', enclosed within a hand-drawn oval.
